

## Catering Considerations:

-Pricing listed is based on disposable serving products. China, flatware and glassware is \$8 per person additional.

-There is a \$500 setup and cleanup fee for all Union Station catered events. In addition, a \$250 kitchen rental fee may apply based on client's location.

-Additional delivery charges outside of a 20 mile radius of Northampton will apply based on travel distance.

-There is a 50 person minimum for catered events. Below that number, a \$3 per person charge will apply.

-All catering pricing is subject to a 21% administrative charge and 7% sales tax.
